ONE HONEYCOMB AT A TIME – UN RAYON DE MIEL A LA FOIS

Compensation to be Determined

Looking for a new and exciting career?

The Worker Bees Physician Recruitment Committee is looking for a dynamic, outgoing, results-driven individual to help bring connected physicians and their families to the communities of Black River-Matheson, Iroquois Falls and Cochrane.

This position would appeal to someone who has post-secondary education in the areas of human resources, health services, public policy and administration or communications.

Collectively the Municipalities of Black River-Matheson, Iroquois Falls and Cochrane cover an area of 2,356 square kilometers with a collective population of over 12,000 residents. The main industries are mining, agriculture, manufacturing and a host of support services. We also offer the benefits of a northern rural lifestyle with easy access to all services. It is here that you can become part of a vibrant group of municipalities while creating unforgettable memories.

It is expected that the incumbent will receive support, guidance and overall direction from our passionate and hard-working dedicated group of 8 Worker Bees (the "Committee"). We are seeking a full-time AMBASSADOR with the following core competencies:

- ✓ Post-secondary education in human resources, health services, public policy and administration or communications.
- ✓ Builder of relationships
- ✓ Exceptional communication, interpersonal, and decision-making skills
- ✓ Courteous, kind and respectful
- ✓ Integrity and ethics
- ✓ Community knowledge and contacts
- ✓ An energetic and engaging team player
- ✓ Proven experience with interviewing or surveys (but not necessary)
- ✓ Some travel will be required to attend job fairs.
- ✓ Sound judgment and common sense
- ✓ Creative and Innovative thinker
- ✓ Adaptable / Flexible (working different variable hours, responsive to the community & some weekend work)
- ✓ Takes initiative, responsibility, and flexibility with an interest in leadership.
- ✓ Positive attitude, detail oriented with good multitasking and organizational skills.

EMPLOYMENT OPPORTUNITY

- ✓ Social networking experience and social analytics tools knowledge
- ✓ Advanced knowledge of MS Office, database management, and internet search
- ✓ Bilingualism (preferred but not required)
